International Workshop on Applied Infromation Technology 2005, LAIT'05 November 25–26, 2005, Bangkok

KMUTT

School of Information Technology

Call For Papers

The First International Workshop on Applied Information Technology 2005 (IAIT'05), Bangkok, Thailand

The School of Information Technology, KMUTT, is launching the 1st International Workshop on Applied Information Technology (IAIT). The 1st IAIT will serve as a new forum for international researchers and industrial practitioners to meet, discuss and exchange knowledge and experiences.

Objectives

The workshop is an opportunity for international researchers and industrial practitioners to present their work and achievement in both theoretical and application of information technology and its related fields. It also serves as a venue to foster collaboration among different industrial organizations, business sectors, government sectors, and academic institutes. All papers submitted to the workshop will be peer evaluated by at least two reviewers. Acceptance will be based primarily on originality and contribution.

Location

The 1st IAIT will be held in, Bangkok, THAILAND.

Scope

The relevant topics for this conference include, but are not limited to, the following:

- *Artificial Intelligence*
- *Agent Systems and Applications*
- *Bioinformatics and Nano Technology*
- *Case Studies and Applications*
- *Collaborative Know-how*
- *Computer Law*
- *Data Mining*
- *Database Systems*
- *E-Commerce Theory and Practice*
- *E-Government and E-Service*
- *E-Learning Technologies*
- *Embedded Systems*
- *Human Computer Interaction*
- *Information Assurance and Security*
- *Information Management*
- *Information Retrieval*
- *Knowledge Management*
- *Multimedia & Visualization*
- *Networking and Mobile Computing*
- *Object-Oriented Language and Systems*
- *Parallel, Distributed, Concurrent Systems*
- *Platform Technologies*
- *Programming Languages*
- *Protocols and Standards*
- *Semantic Web*
- *Software Engineering: Applications, Practices and Tools*
- *System Integration and Architecture*
- *Web Applications and Technologies*
- *Virtual Reality*
- *XML and other Extensible Languages*

Submission of Papers

Prospective authors are invited to submit papers in areas listed above. All submissions should be in Adobe Acrobat (.pdf), Postscript (.ps), or MS Word (.doc) format. Submission guidelines are available at: http://www.it.kmutt.ac.th/IAIT

Please submit your paper via our website at:

http://www.it.kmutt.ac.th/IAIT/submiss.php

Invited Talks & Panel Discussion

Invited talks will be given by leading pioneers from both academia and industry. The workshop will also include panel discussion on *E-Government*. The organizer welcomes contributions from interested individuals. Anyone wishing to act as a member of the panel, please contact the organizer at: iait05@it.kmutt.ac.th

Exhibition

There will be an exhibition area for companies to present their recent developments and products. This includes *IBM, Oracle, and 3Com*. Any interested company wishing to participate in the exhibition, please contact the organizer at: iait05@it.kmutt.ac.th for further detail.
